

# NDBSL UPDATE

Volume VIII, Issue 3

Sept 2017

## NORTH DALLAS BULLDOG SUPPORT LEAGUE

NDBSL Board:

President: Mike Lemmon, '68

Sarah Blaser, '64

Sherrie Cleaver, '79

Kitty Hickerson, '65

Patrick O'Neil

Nedah Moyer Rose, '64

## Support NDBSL by Giving September 7-14

North Dallas Bulldog Support League needs your generosity! Last year we raised close to \$4,000 during our first NTxGivingDay campaign. This year we have **a very generous donor who will match up to \$5,000** of gifts given between September 7-14. All you have to do is go to [www.northtexasgivingday.org](http://www.northtexasgivingday.org), search for **NDBSL** or **North Dallas Bulldog Support League**, and donate what you can. Be sure to go to the website above (and not our NDBSL website). The link is open from 6:00 AM to midnight and all donations, no matter how big or how small, are welcome. Funds go to support NDHS academic needs including the support of academic extra-curricular organizations, classroom materials, professional staff development and much more.

3839 McKinney Ave  
Suite 155-243  
Dallas, TX 75204

**Save the Date!**

**North Texas Giving Day  
September 14**

[northtexasgivingday.org](http://northtexasgivingday.org)

**Calling All Bulldogs!**

**On the Border Happy Hour**

3130 Knox Street

September 12 5:00 – 8:00 PM

**Invite all NDHS Fans and support  
NTxGivingDay too!**

# Welcome New NDHS Principal

## Katherine Eska

This interview is written by **Gary Pina** of North Dallas Booster Club: New NDHS Principal Katherine Eska is coming from Dallas ISD's Kramer Elementary where she was principal for the last three years. While at Kramer, she led the school to complete the requirements to become part of the prestigious International Baccalaureate Programme.

Meanwhile, she's no stranger to the high school level, after teaching math at Spruce High School in Dallas ISD. During her tenure there, she was head of the math department, as well as the cheerleading sponsor.

When she was in high school, Eska competed in gymnastics, diving and cheerleading. She completed her undergraduate degree in Finance at Notre Dame and earned her master's degree in Education, Policy, and Management from Harvard University in 2013.

### **Q: What are your thoughts on being named the North Dallas High principal?**

**A.** First and foremost, I'm honored to join the North Dallas community and become a part of our great legacy. Walking the building this past week, you can feel the amazing history that is both unique to this campus and intertwined with the city of Dallas. I look forward to building on the hard work of those before me, returning back to high school, and working with our community to build a North Dallas for the future.

### **Q: What message would you like to say to the students?**

**A.** I look forward to getting to know each and every one of you. I want to see you not only working hard in the classroom; but also, representing North Dallas by competing in sports, performing in plays, winning UIL competitions, and working to make our community a better place. Every day, every minute, and every decision counts as you work toward your future, and I'll be behind you every step of the way.

**Q: What message would you like to say to the alumni?**

**A.** I look forward to partnering with each of you to build upon the great work you have already started at North Dallas. So many alumni remain engaged with North Dallas, giving back after graduation, and I look forward to working with you all to bring even more opportunity to our current students.

**Q: What are your priorities right now as you prepare for the school year?**

**A.** First and foremost, I want to get to know my teachers, staff, and building such that tight systems are in place for the first day of school. I have been working closely with our leadership team to ensure our master schedule is ready, that every classroom has a teacher, and that tight systems are in place so that no precious instructional time is wasted.

## NDHS Welcomes Students Displaced by Hurricane Harvey

The Dallas Independent School District says students from Houston and surrounding areas displaced by Hurricane Harvey can begin enrolling this week.

The school district will not turn away students who do not have the right documentation, including immunization records, and it will provide assistance for uniforms and school supplies.

Children who are housed at the Kay Bailey Hutchinson Convention Center mega shelter, which is expected to begin receiving evacuees Tuesday, and wish to attend school while in Dallas will be bused to and from the John F. Kennedy Learning Center, Alex W. Spence Talented/Gifted Academy, and North Dallas High School, depending on their grade level, the district said.

The district plans to have social workers and counselors on hand to help students in need.
